

**Standard Operating Procedure(SOP) for property ID in Urban Local Bodies**

1. The Property ID follows the Local Government Directory (LGD), Government of India assigned Standards for ULBs.
2. Property ID will be of 17 digits.
3. The digits will be as follows.
  - a. Digit position 1,2      State Code – Constant for Uttar Pradesh, it is 09.
  - b. Digit position 3,4,5    ULB Code – As per annexure-A attached with SOP.
  - c. Digit position 6,7      Zone Code – It is numeric code starting from 01 to 99. (For the ULB, which are very small in size will have single Zone & it will be called as ZONE-1 with code 01. (Zone code will start from 01 and can be there up to 99)
  - d. Digit position 8,9,10    Ward Code – It is numeric code starting from 001 to 999. (ward code will start from 001 and can be there up to 999)
  - e. Digit position 11,12,13,14,15,16    Running Serial Number– It is the numeric running serial number for all properties starting from 000001 to 999999 ( Maximum 10 Lakhs properties can be there in a ULB). The Serial will not reset at new zone or new ward.
  - f. Digit position 17      property type code – R – Residential, N – Non Residential and M – Mixed Property.

0	9	5	0	6	0	1	0	0	1	0	0	0	2	4	5	R
State Code		ULB Code			Zone Code		Ward Code			Running Serial Number						Property Type
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17

1. All the properties in the ULB will have a property ID as detailed above in SOP. (It will include all Residential(Self), Residential(Rented), Commercial, Government Land, Plots, Empty Land, religious places, Flats etc.)
2. If a property in the ULB is not in use, then it will be disabled. It will not be deleted.
3. If a House is converted from Residential House (with a single property ID) to High Rise flats (having 100 Flats). In this case the Residential House property ID will be disabled and the new flats will be assigned with new property ID having the running serial number as per above SOP.
4. If a House is divided into two houses, then old property ID will be disabled and the newly created two properties will have two new property IDs as per SOP.
5. If two or more Houses are merged into one/single house, then old property IDs will be disabled and the newly created one/single house will have one new property ID as per SOP.
6. Whenever a new property ID is assigned to any property, then the assessment of property is mandatory.
7. If new assessment of property is done in that case, new property ID will be allotted as per SOP with the running serial number.
8. In case of parseeman (reassignment/change in boundaries of zone/ward of a property), the property ID will not change. The property ID details in the electronic form will have two additional entries for zone code and ward code. These changes will have history and it should be trackable.
9. ULB codes are attached with this document (SOP).
10. Zone code, Ward code are to made on local level of ULB.
